PATRON

Shri H R Chaudhari

I/C, Principal

Government Polytechnic Waghai

Shri B J Patel

I/C Head, Mechanical Engineering Department

Shri J M Patel

I/C Head, Computer Engineering Department

Shri H K Rana

I/C, Head, Civil Engineering Department

CO-ORDINATOR

Shri K C Patel Lecturer

Mechanical Engineering Department

MEMBERS

Shri H U Tandel

Lecturer, Mechanical Engineering Department

Shri D K Parmar

Lecturer, Computer Engineering Department

Shri M N Ahir

Lecturer, Civil Engineering Department

Smt M B Patel

Lecturer, General Department

Resource Person

The series of lectures will be delivered by Faculties from academics

2 Days online FDP on
"ICT tools for Effective Teaching and Learning in Technical Education"
(15th March 2024- 16th March 2024)

Joint Organized By:

Civil Engineering, Department

Computer Engineering, Department

(NBA Accredited),

Mechanical Engineering, Department

(NBA Accredited)

Government Polytechnic Waghai
Rajendrapur village
Waghai
Dist Dang-394730
Website:- http://www.gpwg.cteguj.in/

No Registration fee. Maximum 100 participant on first come first basis

Important Date:
Last date of registration: 14-03-2024

2 Days online Faculty Development Program on "ICT tools for Effective Teaching and Learning in Technical Education"

About Institute

Government Polytechnic Waghai is located in Dang, Gujarat & affiliated with Gujarat Technological University and AICTE, Delhi. The objective of establishment of this college is not to provide only degrees to the youngsters but to make them a person who can contribute to Nations Social Economical, Humanity, and Cultural and Public Governance values. The Institute started its first course in 2006. It is open for both Boys and Girls.

Courses Offered

Civil Engineering

Computer Engineering (NBA accredited)

Mechanical Engineering (NBA accredited)

About Program

Government Polytechnic Waghai is organizing two days live Online FDP (Faculty Development Program) where experts will discuss and share their views regarding the various ICT tools and initiatives that assist in effective learning and teaching in technical education. Those who will join this live session will get an opportunity to interact with the experts and understand how Information and Communication Technology (ICT) can make digital learning and teaching all the more effective. Moreover, all the participants will be provided with E-Certificates.

Institute Vision

"To deliver technically competent and social responsible diploma engineers for betterment of society."

About Civil Engineering Department

The Department of Civil Engineering established in 2006 with intake capacity of 60 students. The department is having well equipped and furnished labs as per norms laid down by Gujarat State Board of Technical Education Gandhinagar.

About Computer Engineering Department

Computer Engineering Department is established in the year of 2006. Department is running Diploma in computer engineering with current intake of 60 students. Department has well equipped laboratories like software laboratory, hardware laboratory, etc. All Laboratories, Staff Rooms and office of the Department are fully networked and have access to high speed Internet facility. Department has well qualified, motivated and dedicated teaching faculty.

About Mechanical Engineering Department

Mechanical Department is established in the year of 2006. We provide an education that builds within students a solid foundation in mechanical engineering principles, expands the reasoning, communication and problem solving abilities of students. The department has well qualified faculties to cater the academic and other kinds of students' needs. Department has well equipped laboratories like Workshop, Thermal engineering, FMHM, Metrology and Measurement, CAD/CAM, etc
