The vision of Training & Placement Cell is to put sincere efforts to develop Competent Engineering Skills, Problem Solving & Analyzing Techniques, Communication Skills, and Awareness for Recent Trends in Technology for fulfilling Gap between Industry and Academics for the betterment of students.

Mission

The mission of Training & Placement Cell is to direct students towards their desired career path and make them capable enough to contribute to Society and Nation in field of Engineering either through Organizations Or by their own efforts.

Goals

To provide competent learning environment for students with the help of Seminars, Workshops, Training and Industry Visits.

To put sincere efforts for maximum placement of students in leading industries across the globe.

To strengthen the relationship with leading Industries for enhancing knowledge and

Applicability of thoughts, Bridging Gap between Industry & Academics and Gaining information about Practical Significance of Theories in the field of Engineering.

About Institute

Government Polytechnic, Waghai is an AICTE - New Delhi approved Diploma Engineering College affiliated to Gujarat Technological University, Ahmedabad.

We offer academic program in the field of Mechanical Engineering, Computer Engineering and Civil Engineering. We, in this Institute strive to promote Industry Institute interaction for mutual benefit of Industry and Students and to update the current trends in industries.

We also strive to provide better placements and develop entrepreneurship. Government Polytechnic, Waghai has completed 12 years and has entered in its 13th year. We are having 3 diploma engineering streams with 180 students. The courses are as listed below.

From the desk of TPO Committee

Now a days, technology is changing drastically, it is indeed a challenging task to cater the needs of industry for effective manpower. Gujarat state is filled with potential but an untapped pool of talent.

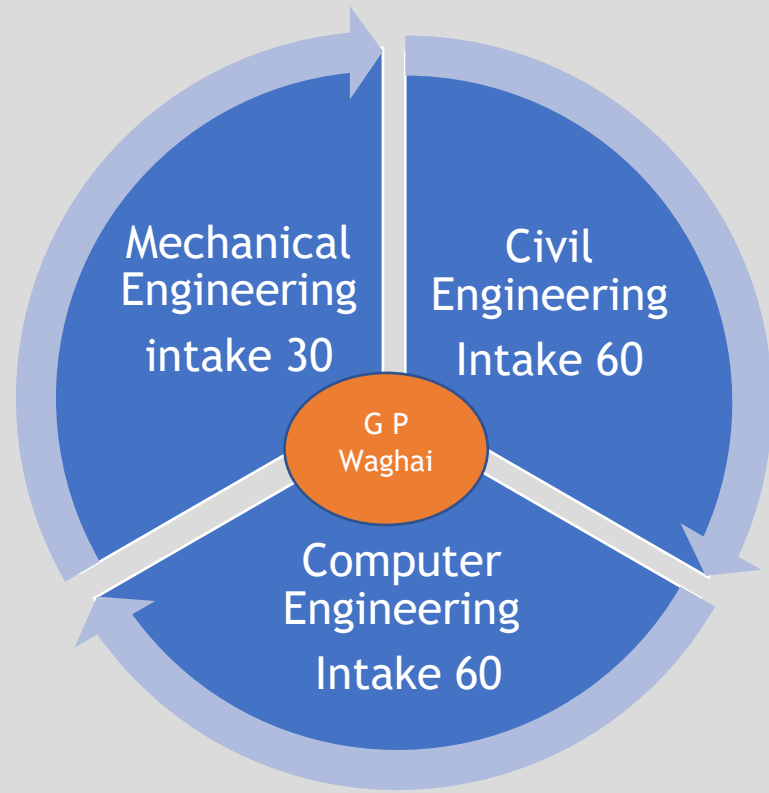

We at Government Polytechnic, Waghai are working towards polishing this talent and to bring them out so that they can utilize their Potential in optimal way. We surely hope that our students will be able to meet all the challenges given by your esteemed organization.

We will be extremely obliged if you could be a part of our endeavor of making the untapped talent shine.

We would like to invite you for a Campus Placement Drive of final year students. We would be glad to provide you with any further information and assistance in this regard.

We wish to have your esteemed organization for Campus Recruitment. Please find the placement brochure herewith. Feel free to contact us regarding any further queries.

With Warm Regards,
